NOTE:

29 June 1970

25X1A9a I have discussed this matter with . The FI Staff does not normally have Task Forces as such. However, many of its officers are ~~mm~~ on various boards and panels which make extensive use of the FI Conference Room. The Agent Panel for example has only a few members but has voluminous folders to review and compare when they hold their meetings; they wheel in a couple of carts full and go to work.

25X1A9a  is going to voluntarily keep a record of the number of participants at each meeting in the conference room and the duration of the meeting.
